Front Cover - Daisy

Photography by Alan Fernihough & Diane Bostock

started taking in 'oldies' in 1990.

My aim has always been to give the dogs that come my way the love, care, comfort and kindness that many of them have never known, in short, give them a 'happy ending'.

We are now able to give sanctuary to goats, sheep and ponies.

Thank you for buying this calendar, the money raised from its sale will be used towards veterinary care and whatever else these deserving animals need to make their lives as happy and comfortable as possible.

Diane Bostock – 07939 758373

This calendar fits into Royal Mail's large letter category. When in use the calendar is 29.7cm x 42cm which allows for plenty of room for your appointments.

This calendar has been printed on a Ricoh digital press which uses P&P-EQ based toner which produces very little non-recyclable waste.

The cello bag that this calendar is contained within can be recycled in your council provided recycling waste container.
